

## TALLEY LANDSCAPE ARCHITECTS, INC.

Title: Full Time Landscape Architect  
City: Rosenberg  
State: TX  
Zip Code: 77471  
Category: Landscape Architects  
Years of Experience: 6-10 years

**Job Description:** We are adding a Landscape Architect to our team who can deliver innovative designs, manage projects, make on-site decisions and effectively deal with clients, contractors and sub-consultants. Our new team member will design and implement projects through multiple aspects from beginning to completion, including design, documentation, cost estimation, construction admin./observation and overall management. Successful TLA team members are highly self-motivated, dedicated and able to thrive in a busy, deadline-driven environment. Comfort and proficiency with public speaking for community events, client interviews or marketing presentations is a big plus.

Our studio is located just outside of Houston with projects spanning the 13-county metropolitan area. Our team's common beliefs and philosophies draw us together. We encourage our staff to be actively involved with the community, serve on boards, etc.

Pay is commensurate with experience and will be negotiated following a successful application.

### Skills Required:

- Expertise and experience in large-scale landscape architecture design.
- Strong knowledge of AutoCAD, Sketch-up, Adobe Creative Suites 6 and GIS.
- Must be able to draw, sketch, render, create presentations, layout drawings, etc.
- Strong visual acuity for graphics and layout.
- Effectively handle both project management (with contractors and sub-consultants) and client management.
- Excellent communication skills, including public speaking and interviewing.
- Self-motivated, well organized and able to manage time and tasks to meet deadlines.
- Must be proficient in the plant palette for central/coastal Texas.
- Strong planning and organizational skills.
- Bilingual English and Spanish is a plus.

### Education Requirements:

- Bachelor's degree in Landscape Architecture or Architecture Required.
- 6-10 years prior experience as a professional Landscape Architect.
- LEED AP and/or Texas-Licensed Landscape Architect, strongly preferred.

**Company Description:** Talley Landscape Architects, Inc. is a full service landscape architecture firm engaged in the planning, design, and construction management of large-scale public projects such as parks and recreation facilities. The firm has also led teams providing complete design services for a number of master-planned communities, and prepared several comprehensive park master plans for Municipal Utility Districts in preparation for park bond sales. TLA is uniquely qualified to consult on projects involving a wide range of stakeholders with multiple priorities. TLA is often sought after as a facilitator in creating a practical vision for public agencies, non-profit and philanthropic entities, as well as corporate clients.

Talley Landscape Architects, Inc. originally established in 1999, is committed to integrating the process of planning and design with the preservation of environmental sensitivity. TLA transforms the buzzword of 'Sustainable Design' into the practical application of 'Regenerative Design and Development.'
